## Free template powerpoint creative

If you're planning a special occasion, it's often tempting to put your design skills to work and create your own invitations. But while that's great in theory, the pressures of time and a lack of creative energy after a long day's work can often mean it's not a great idea in practice. These inventive and imaginative invitation templates offer a third option, allowing you to add a personal touch to your invitations without having to put a lot of effort into it... 01. Confetti popper invite you to start the party early with these fresh confetti popper invitations by Jordan Ferney If you want your party to invite you down with an explosion, check out this confetti popper design from Oh Happy Day lifestyle and design blogger Jordan Ferney. While creating an invitation to save the date for his friends, Ferney decided to customize the party poppers, which triggered the event details and confetti when activated. Great, huh?02. Photo Cabin invites you to customize your party invitations with this cool photo booth design Customize your party invitations with this awesome photo booth idea detailed on Martha Stewart's website. Take photos using the iPhone Photo Booth Classic Plus app and then secure this downloadable template with all the party details on the back. Complete the look by providing them in glass envelopes.03. Wedding Invitation Customize artwork and text in this elegant wedding invitation by Leslie Hamer If your wedding is going to be simple but elegant, then this elegant Leslie Hamer invitation template may be just what you're looking for. The design replicates a heart, with the initials of the bride and groom carved into a tree trunk. The \$25 set contains an invitation, RSVP, and information card template, all with illustrations and text that can be changed to any color that suits you. Create these ice invitations for this year's summer party Forget generic and boring invitations for this year's summer party: it opens up your guests' appetite with these fresh ice invitations, another brilliant design offered on Martha Stewart's website. The design uses glass and vellum papers to give cuts that fresh look of the freezer. There are templates for the 'Come on Over', 'Happy Summer' and 'Let's Celebrate' designs.05. Baby shower invites You to Download the free Download Lauren Beckley template to create this cute baby shower invitation If you're hosting a baby shower and want to add a personal touch, consider this original Lauren Beckley design. The downloadable insole folds to create the shape of the baby's diaper, secured with a ribbon on the front. Beckley's blog provides complete details of the necessary materials and exactly how to create them.06. Ticket Invitation This template invitation is perfect for any ticket-themed event If you want your guests to feel special, create that single invitation by duplicating your invitations as tickets as well. This template is offered by Etzy dainty seller for only \$1.99. Perfect for any event with an input theme, the invitation has editable text, an area to upload a photo and gray mask for design. If you're looking to create an awesome presentation in no time, you can use free PowerPoint templates, although it's limited in terms of creative designs. You can find a wide variety of free PowerPoint templates online that can bring more to your work. All you have to do is download the ones you want, open them in PowerPoint, and edit them however you want to suit your own needs. Here is a summary of websites from where you can get the best PowerPoint templates for free and create awesome presentations. Best Websites for Free PowerPoint Templates Presentation MagazineBehance Slide TemplatePowerPoint StylesShowetGoogle Slides TemplatesSlides Carnival24SlidesFree-PPT-Templates.comSlide Hunterppt.com Presentation Magazine This website offers over 67,000 creative and free PowerPoint templates. It has more than a dozen categories to navigate from as a doctor, business, nature, education, wedding, architecture, Christmas, travel and weather. You can search for them by popularity, color, or label. Templates are regular and animated, and are added or updated frequently. They're also easy to download as you get the file immediately on your computer, plus see a screenshot of what they'll look like on your slides. However, there is no classification system, and most templates are very basic, but at least you have a wide variety to choose from. Behance Slide Template Collection Behance is a showcase site for creatives from all over the world, so you're bound to find some truly professionally designed, extremely artistic and engaging slide templates. The best part is that you can get creative PowerPoint templates, download for free, and use it with your PowerPoint presentation. You can use the search filter to find some of the best templates you can use using variables such as user ratings, most appreciated, or categories such as infographic or business presentation, and more. A preview of the template slide layouts is also available so you can see what your deck will look like before downloading it. However, if you plan to Behance templates, you'll also need access to Illustrator or Photoshop. PowerPoint Styles PowerPoint Styles also offers free PowerPoint templates and you can find one that suits your needs by sorting the list according to the most viewed, recently added or downloaded templates at the top. It also provides categories and tags to help you find general templates, or cartoons, abstract, social, social, telecommunications and other types of templates. Each template has a screenshot so you can get a preview of what the actual layout looks like, and they are downloaded as PowerPoint files making it easy to add to your presentation. You can also select any color you want to view templates with your preferred as the main color, which is good if you're building a slide cover for your brand. The main drawback of this website are the ads on the site that make it difficult to find the right download button for the template you want. Showet Showet displays your free PowerPoint templates with lots of information about each one, and you can browse popular tags like fun, business, pattern and more. Each download page also comes with preview images, as well as instructions and tips on how to use the template and make it interactive. They are also updated and added from time to time, but you'd have to follow them on social media or subscribe to RSS to get updates on their latest template layouts. The main drawback is that each template is stored in a ZIP file, so you have to extract the files before using them in your presentation. Google Slides Google Slides templates google slides templates are stylish and royalty-free, so you can use them when you have upcoming presentations and are pressed for time so you can't design yours from scratch. You do not have to fill out a registration form to use free PowerPoint templates on this site. Plus, you get handy links that can help you if you're new to creating presentations in Google Slides, or if you haven't used it in a long time. Carnival Slides For low-budget projects, Slides Carnival is a great website for getting free PowerPoint templates and Google Slides. You can use theme-based menus on the site to search for templates, browse the latest topics, type a keyword in the search bar, or sort well-defined categories. The site also provides support material with information that explains why templates work well so you can make a better decision. 24Slides This website makes finding a free PowerPoint template much easier as it is clutter-free and there is no advertisement. The templates are professionally designed, clean and easy to find, as it organizes them by category, featured or more popular, although you can also filter them by creativity or corporate. You can also view preview screenshots, which makes it easier for you to narrow down your options. You don't have to extract downloads from a ZIP folder as they are downloaded directly, and stored in PPTX format so you can use them in your presentation. Without you need a user account to download the templates and you have fewer categories that you can query. Free-PPT-Templates.com This free PowerPoint template website offers professional-looking templates in categories such as music, technology, education, medical and countries. You can filter them by editor choice, top 10, or more popular, although their search filters are not intuitive. Intuitive. inconvenient with this site is that the PowerPoint templates you download are stored in files, not directly as PPTX files for quick and easy use with your presentation. Slide Hunter Slide Hunter lists your free PowerPoint templates in different topics, including strategy, education, planning, charts, cycle, 3D, arrows and more. Some of them offer multiple screenshots so you can see what you're about to download, plus related templates you can choose from. However, you have to extract the templates from a ZIP file before using them in your presentation, and there is no description of content or information about the number of slides or the length of the slideshow. Ippt.com This popular website for free PowerPoint templates stores a massive collection of professional templates in different categories such as wedding, business, religious, graduation, nature and abstract. You can easily find a template that suits your needs by filtering your searches by category, keyword, tags, themes or backgrounds. You can view user feedback and download counts on download pages so you can decide whether or not you want a specific template you like. Also, you don't have to sign up or wait for an ad before downloading it, as they download instantly to your device. However, some templates may be large and take some time to download, and there are not enough screenshots to show you more about the template you are downloading. Get your next presentation template We've highlighted only 10 sites where you can get free PowerPoint templates from, but there are many other options out there. However, you can get a wide variety of designs for different purposes so you can impress your audience, and as that assignment or land your next customer. We'd love to hear your recommendations for great websites where you get free PowerPoint templates. Share with us in a comment below. Down.
